

Explosion prevention and protection in underground mines — Protective systems —

Part 2: Passive water trough barriers

ICS 13.230; 73.100.99

National foreword

This British Standard is the UK implementation of EN 14591-2:2007, incorporating corrigendum September 2008.

The UK participation in its preparation was entrusted to Technical Committee FSH/23, Explosion and fire precautions in industrial and chemical plant.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 June 2007

Date	Comments
28 February 2010	Implementation of CEN corrigendum September 2008; row inserted in Table ZA.1 for 1.2.1

English Version

Explosion prevention and protection in underground mines - Protective systems - Part 2: Passive water trough barriers

Protection contre l'explosion dans les mines souterraines -
Systèmes de protection - Partie 2: Arrêts-barrages passifs
à bacs à l'eau

Explosionsschutz in untertägigen Bergwerken -
Schutzsysteme - Teil 2: Passive Wassertrogsperrren

This European Standard was approved by CEN on 4 February 2007.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
