

**Petroleum and natural  
gas industries —  
Offshore production  
installations —  
Analysis, design,  
installation and testing  
of basic surface process  
safety systems**

ICS 75.180.10

# National foreword

This British Standard is the UK implementation of EN ISO 10418:2003. It is identical with ISO 10418:2003, incorporating corrigendum March 2008.

The UK participation in its preparation was entrusted by Technical Committee PSE/17, Materials and equipment for petroleum, petrochemical and natural gas industries, to Subcommittee PSE/17/-/6, Processing equipment and systems.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 5 November 2003

## Amendments/corrigenda issued since publication

Date	Comments
31 August 2009	Implementation of ISO corrigendum March 2008. Title of standard modified

ICS 75.180.10

English version

**Petroleum and natural gas industries - Offshore production installations - Analysis, design, installation and testing of basic surface process safety systems (ISO 10418:2003)**

Industries du pétrole et du gaz naturel - Plates-formes de production en mer - Analyse, conception, installation et essais des systèmes essentiels de sécurité de surface (ISO 10418:2003)

This European Standard was approved by CEN on 3 October 2003.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.
