Hydraulic fluid power — Filter elements — Method for end load test

Transmissions hydrauliques — Éléments filtrants — Méthode de détermination de la résistance à la déformation axiale

First edition — 1976-09-30

UDC 620.8.032 : 620.173.24

Ref. No. ISO 3723-1976 (E)

Descriptors: hydraulic fluid power, filters, fluid filters, mechanical tests, determination, mechanical strength, strain deformation, axial stress.
