

# End-suction centrifugal pumps (rating 16 bar) — Designation, nominal duty point and dimensions

ICS 23.080

## National foreword

This British Standard is the UK implementation of EN ISO 2858:2010. It is identical to ISO 2858:1975. It supersedes BS EN 22858:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/6, Pumps and pump testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**

This British Standard, having been prepared under the direction of the Machinery and Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 April 1993
