

Cable glands for electrical installations

The European Standard EN 50262:1998, with the incorporation of amendment A1:2001 and amendment A2:2004, has the status of a British Standard

ICS 21.040; 29.080.20

National foreword

This British Standard is the official English language version of EN 50262:1998, including amendments A1:2001 and A2:2004. It supersedes BS 6121-2:1989 and BS 6121-3:1990 which are withdrawn. Also, together with BS 6121-1:2005 it supersedes BS 6121-1:1989, which is withdrawn.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A1** **A1**. Tags indicating changes to CENELEC text carry the number of the CENELEC amendment. For example, text altered by CENELEC amendment A1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted by Technical Committee GEL/20, Electric cables, to Subcommittee GEL/20/11/1 (formerly GEL/20/8), Cable glands, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Electrotechnical Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 October 1999

Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 23 and a back cover.

English version

Cable glands for electrical installations

(includes amendments A1:2001 and A2:2004)

Presse-étoupe pour installations électriques
(inclut les amendements A1:2001 et A2:2004)

Kabelverschraubungen für elektrische
Installationen
(enthält Änderungen A1:2001 und A2:2004)

This European Standard was approved by CENELEC on 1998-04-01. Amendment A1 was approved by CENELEC on 2001-03-01; amendment A2 was approved by CENELEC on 2004-10-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
