CORRIGENDUM 1

7.3.1.16.2 Paper shredders

In the second paragraph, instead of:

The device shall be tested for continuous disturbances while the device is fed with one single sheet at the time, allowing the motor to switch off between each sheet.

read:

The device shall be tested for discontinuous disturbances while the device is fed with one single sheet at the time, allowing the motor to switch off between each sheet.

7.3.1.16.2 Déchiqueteuses de papier

La correction ne concerne que le texte anglais.
