

General requirements for the competence of testing and calibration laboratories

The European Standard EN ISO/IEC 17025:2005 has the status of a British Standard

ICS 03.120.20

National foreword

This British Standard is the official English language version of EN ISO/IEC 17025:2005. It is identical with EN ISO/IEC 17025:2005. It supersedes BS EN ISO/IEC 17025:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee QS/3, Conformity assessment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
