Foreword *iii*

Introduction 1

1	Scope	1
2	Normative references	2
3	Terms and definitions	3
4	Consultation and records	4
5	Illumination for safe movement	4
6	Emergency escape lighting design	8
7	Batteries	10
8	Wiring systems and circuits	11
9	Choice of appropriate emergency lighting systems	16
10	Emergency lighting design procedure	19
11	Certificates and log book	21
12	Servicing	22

Annexes

Annex A (informative)	Summary of standards covering emergency lighting	23
Annex B (informative)	Measuring illuminance of emergency lighting	24
Annex C (informative)	Emergency lighting classifications	25
Annex D (informative)	Illuminance for specific locations	26
Annex E (informative)	Guidance on illuminance measurements and calculations	28
Annex F (informative)	Model completion certificate	30
Annex G (informative)	Model certificate for completion of small new installations and verification of existing installations	34
Annex H (informative)	Model periodic inspection and test certificate	37
Annex I (informative)	Additional guidance on the compliance checklist and report for an existing site	40

Bibliography 42

List of figures

Figure 1	Example of rooms requiring emergency lighting	6
Figure A.1	Summary of standards covering emergency lighting	23
Figure E.1	Conventional escape route where the floor is the working plane	29
Figure E.2	Cooking stove where the surface of the stove is the working plane	29
Figure E.3	Fire panel needing to be read on the vertical plane	29
Figure F.1	Model completion certificate – General declaration	30
Figure F.2	Model completion certificate – Design – Declaration of conformity	31
Figure F.3	Model completion certificate – Installation – Declaration of conformity	32
Figure F.4	Model completion certificate – Verification – Declaration of conformity	33
Figure G.1	Model certificate for completion of small new installations and verification of existing installations – General declaration	34
Figure G.2	Model certificate for completion of small new installations and verification of existing installations – Checklist and report	35
Figure H.1	Model emergency lighting inspection and test certificate	37
Figure H.2	Model emergency lighting inspection and test record	38
Figure H.3	Model emergency lighting fault action record	39
